

GCI 103 – Coaching Untapped Potential

Join us for a four day retreat in Byron Bay where you will learn to coach with the acuity and precision that many clients have come to describe as ‘magic’. Coaching Untapped Potential is designed to build grounded confidence in your practice as a coach, and enable you to elicit the client’s fullest potential. For full course description

<http://globalcoachinginstitute.org/portfolio-item/coaching-untapped-potential-gci-103/>.
